

Ringgold ID 是全球广泛应用的机构标识符解决方案，用于出版投稿过程中的机构消歧工作，帮助区分名称类似的不同机构或联结同一机构的不同表述方式。

IEEE 为 DRAA 集团客户开通 OA 发文优惠 RightsLink 折扣，需要学校提供 Ringgold ID。不清楚学校 Ringgold ID 的，可遵循如下流程进行查询。没有 Ringgold ID 的学校，烦请自行申请开通。

查询及申请 Ringgold ID 流程：

1) 通过 <https://ido.ringgold.com/register> 注册免费个人账号

Terms and Conditions

Welcome to the Ringgold Identify Database. Whether you visit the Ringgold Identify Database on a desktop computer, laptop, mobile or other device, access to the Identify Database services ("Services") is provided to you subject to the following terms of use ("Terms"), which form a contract between you and Ringgold.

- 1. Privacy**
Ringgold has a privacy and data protection policy that fully complies with privacy and data protection laws. For information about how Ringgold treats your registration information, see: [privacy policy](#)
- 2. Electronic Communications**
By using the Services, or by sending emails or contributing information to Ringgold using our communication forms, you are communicating with us electronically. You consent to receive communications from us electronically, by email or by notices posted on the Identify Database site. You agree that any such communications or notices, without limitation, comply with any requirement in law that they be in writing.
- 3. Users**
 - 3.1.** Subject to the Terms, Ringgold grants you a limited, non-exclusive and non-transferable license to access and make personal and non-commercial use the Services. You fall into one of two categories of user:
 - a. Guest User**, where you may search and otherwise use the Services with limits to accessing information. You can accept or reject the Terms when registering. If you reject the Terms, Ringgold shall be under no obligation to register you as a Guest User or provide access to the Services or any of them.
 - b. Subscriber**, where you are subject to the terms and conditions set out in a license or other formal written agreement where a subscription or license fee has been paid for access to additional resources, view more extensive metadata and perform additional functions.
 - 3.2.** During the process of registration to use the Services you may be required to provide limited information about yourself (such as your name and email address), and you undertake that such information you provide will be correct.

2) 在注册邮箱中查收激活邮件，激活账号
