

“东南亚论坛” 第三届国际会议预通知

华南师范大学（中国）拟定于2019年11月16-17日举办“东南亚论坛”第三届国际会议。

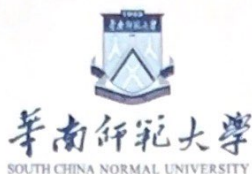

一、会议目的

人类只有一个地球，各国共处一个世界。在追求本国利益时兼顾他国合理关切，在谋求本国发展中促进各国共同发展已成为国际社会的共识。在命运共同体视域下，粤港澳大湾区建设不仅是中国自身改革发展的宏伟规划，亦是中国与世界搭建桥梁，分享发展红利的重要创举。粤港澳大湾区与东南亚隔海相望，唇齿相依，两地的区域合作既有地利人和，又有现实需要。在大湾区建设如火如荼的今天，如何促进两地各领域的交流合作，协同发展，是当下的重要议题之一。

基于此，华南师范大学东南亚研究中心充分发挥“国别与区域研究”平台的作用，将本次会议的主题聚焦于命运共同体视域下的粤港澳大湾区与东南亚。特邀海内外专家学者探讨大湾区与东南亚间的经贸往来、民间外交、教育交流与科技创新等方面的议题，为推动中国与东南亚国家共创合作共赢新局面建言献策，为在“一带一路”倡议下树立“人类命运共同体”意识贡献力量。

二、会议主题词

Pre-Notification of the Third International Conference of the "Southeast Asia Forum"

South China Normal University (SCNU, China) is scheduled to hold the Third International Conference of the Southeast Asia Forum on 16-17th November, 2019.

1. The Purposes of Conference

Mankind has only one earth to live on, and countries have only one world to share. It has become the consensus for the international community that one country should accommodate the legitimate concern of other countries while seeking its own interests and works for common development of all while pursuing its own development. From the perspective of a Community with a Shared Future, the Guangdong-Hong Kong-Macao Greater Bay Area is not only an ambitious plan for China's own reform and development, but also an important initiative for China to connect and share development dividend with the world. The Greater Bay Area faces Southeast Asia across the sea, and the cooperation between the two areas has both innate conditions and realistic needs, which reflect in the construction of the Greater Bay Area. Therefore, how to promote communication and cooperation in various fields between these two areas is one of the most significant issues at the moment.

Based on this, the Center for Southeast Asian Studies of South China Normal University exerts the role of being a "Country and Regional Research" platform, focusing the theme of this conference on the Greater Bay Area and Southeast Asia from the perspective of a Community with a Shared Future. Experts and scholars are now invited at home and abroad to discuss issues concerning economic and trade exchanges, public diplomacy, educational exchanges, and scientific and technological innovations under this theme. Through discussion, suggestions are expected to promote a new situation of win-win cooperation between China and Southeast Asian countries, and consensus is enhanced by building awareness of a Community with a Shared Future for Mankind.
