The Competition aims to

- contribute to a greater public interest and appreciation of Chemistry, particularly among the youth;
- recognize elementary learners with inherent artistic talents; and
- offer them a venue for social and intellectual interaction.

The contest is open to all Grades 4 to 7 learners from public and private schools nationwide.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
